

David,

Thank you very much for taking time away from your evening, to show me the beautiful units at Steeplechase! They are FANTASTIC!!!

I know I kept you from dinner, but I greatly appreciate your open and honest discussion. You helped me to clearly see all the advantages I always believed existed at Steeplechase.

Wow - do you have a beautiful home and pride in the community. You are a very warm and kind person. I hope to be your neighbor soon. And a friend as well.

understanding is a process associated with the human heart.

thank you.

Enjoy life and always allow life to enjoy you!

All my best,

Kennedy Grey Houston Oreskenet
